

## **OSCP / George Gerding Fund Policy (OSCP)**

In 2015, the Oregon Society of Consultant Pharmacists (OSCP) decided to terminate its operations and endow its remaining funds to the Oregon State Pharmacist Association (OSPA). The endowment was contingent on the approval of the Department of Justice, which was received, and the restriction that the funds be used only for quality post graduate education which includes speaker fees, related travel and/or electronic transmission of education presentations for members of OSPA. The funds shall be maintained in a dedicated account. Access to those funds must include an application stating the amount of the request and how the funds will be used. The board of directors must approve all fund allocations.
