

January 23, 2020

The OSPA CE & Ski event has returned! Join us this March in Bend for continuing education focused on career transitions and professional development. As the pharmacy industry continues to evolve, learn how to position yourself professionally in this changing career market, while learning more about pharmacists' roles in different practice settings.

In the afternoon, enjoy winter activities at Mt. Bachelor or take advantage of one-on-one CV/cover letter workshops with our esteemed speakers!

**CE will be accredited in Oregon but will not eligible for ACPE credit.*
