## LEADING PHARMACY, ADVANCING HEALTHCARE

### About

The Oregon State Pharmacy Association is the professional trade association representing its member community of pharmacists, pharmacy technicians, pharmacy students and others who have an interest in advancing the practice of pharmacy through advocacy and education. Thereby improving the health of our fellow Oregonians. We offer two great CE programs annually and we invite you to partner with us to share your message with our members and event attendees.

Your company's support is recognized for its investment in the pharmacy profession. Partnering with OSPA distinguishes your company as an industry leader. Each partnership level offers benefits that provide enhanced access and exposure to meeting attendees.

### Exhibitor Booth

Priority is awarded to conference sponsors, prior exhibitors and to those who support the association through sponsorship and/or advertising. Space will not be assigned without payment. Following receipt of registration and fees, the individual listed as the "convention contact" will receive a confirmation email indicating booth approval. Booth assignments will be communicated one week prior to the event. We reserve the right to adjust the floor plan or to deny an exhibit to any questionable firm. Please complete the exhibit application and registration. Include total payment for each booth requested -- checks payable to Oregon State Pharmacy Association, Tax ID# 93-0442683.
